

FREE EPI-PEN CLASS

Wed. Apr.12th, 2023

Peshtigo Library 331 French St. Peshtigo

3:30pm

Text name & # to (920) 905-3863 to sign up.

LibrarianKristen Willems (715) 582-4905

Dillon's Law allows ANY trained individual to carry and administer an epinephrine auto injector (EPIPEN) without fear of liability.

Visit

EPIFORDILLY.COM

After losing their 18 yr. old son, Dillon, to an UNKNOWN bee sting allergy, George and Angel Mueller of Mishicot worked with physicians and legislators to make epinephrine (EpiPens®) available to anyone with training. The Dillon Mueller Memorial Fund offers this 1-hour training FREE. Participants will leave knowing the signs and symptoms of an allergic reaction (anaphylaxis), how to administer WITH CONFIDENCE an epinephrine auto injector (5 brands) and proper storage and disposal. Out of pocket cost for the generic brand 2pack auto injector using the "Good RX" coupon/app is \$113.00. This medication would have saved Dillon's life. Ten lives have been saved by trained participants. GET TRAINED, CARRY EPI, SAVE A LIFE
